Somewhere in China

Dear Myam,

Say by the way what is
Ben's address? I don't even
know what state he is in.

He can
get my address and try to get
him for me, I may want to
look him up someday.

You'd better keep sending
the sport page until football
season is over anyway. Collect
all of them for one week and
send them together, but be
sure to send Sundays!

I'm afraid I'd have a
little trouble finding W^m Abbott,

there are so many rival
corp outfits around here that
it be like looking for a needle
in a haystack!

I'm awfully glad you went
to Richmond, and don't worry
about how much you pay for
anything - if you want it buy it,
you only live once so you might
as well get everything you want
while you can.

We have been having quite
an argument between movie
stars and the C.B.I. Theater.
Most of them have been going
home before the end of their
tour was supposed to be up. The
only ones that have nearly been
liked are Pat O'Brien & Jack
Jacklenberg.

I hope I get all my packages
also but I'm afraid I won't,
you see if a plane starts
falling coming over the hump the
first thing they throw out is
the mail! Say did John get
the letter I wrote him yet?
Guess I'd better sign off for
now, time for bed.

your loving son,
Jimmie
