Dear Myam,

Well today was our Thanks
giving and we really had a
swell meal considering where
we are. of course the turkey was
canned but it was plenty

really did a good job because
we had candy, and nuts,
and tangerines and cake and
pie and even ^{little} green peas -
something we don't have very
often.

am awfully glad you got
my shellback diploma.

Don't worry about sending
peanuts, we have enough of

If I don't write you as often

Sometimes I just can't find time to
write for a few days.

Well had better sign off now -
will write again soon.

Your loving son,

Jimmy

You can buy Grace something
