Dear myn,

Well not much new going on around here at present. my former lab. officer, my detachment Co. and my hospital co. of the 259th have written recommendations for me for direct commission or a/c. Don't know when I'll go before the board but don't get your hopes up, my luck hasn't been too good lately. a U.M. ^{other} I used to be on the board but he has gone now, tough luck. I'm doing quite a bit of standing on my Inf. Snell. Reg. and administration work.

Work in the laboratory is getting much harder but more interesting. if we ever get more room and men everything will be O.K.

Well guess that's all for now - will write soon. am O.K. and feeling fine - your loving son
James
